

Remarks

This amendment is submitted to correct an error in an amendment to the specification, which was submitted in the Amendment and Response to Non-Final Office Action (Amendment) on May 28, 2008. The Amendment added the following phrase to the paragraph beginning at page 11, line 27 of the specification: "(deposited in the American Type Culture Collection, 10801 University Boulevard, Manassas, VA 20110-2209, on March 26, 2002 as ATCC Accession No. PTA-5416)". However, the date of the deposit was, in fact, August 28, 2003, as stated in the Remarks section of the May 28, 2008 Amendment (see page 13, paragraph 3) and in Exhibit A, which accompanied that Amendment. This amendment does not alter the remarks submitted with the responses filed on May 28, 2008 or December 29, 2008.

No new matter has been added by this amendment. Applicants respectfully request that the correction of the amendment to the specification be entered.

Conclusion

The claims are in condition for allowance and notification to this effect is requested. If for any reason the Examiner believes that a telephone conference would expedite allowance of the claims, please telephone the undersigned at the number listed below.
